ORDER

ROBERT W. LEHRBURGER, United States Magistrate Judge.

Having viewed the screener materials submitted by the parties, the Court agrees with Defendants that the initial screener provided by Plaintiffs was obscured by excessive watermarking. Plaintiffs cured that deficiency by subsequently providing an updated screener, which had materially less watermarking. None of this excuses Defendant Dash's behavior at deposition, nor his failure to appear at previously scheduled depositions without having received approval of the Court.

SO ORDERED.
